

## **Gnannam Cha Dehi Vishavesha Dhyeyamaarga Prakaashkam**

*O Lord of the Universe, Grant us the Knowledge to enlighten the path leading to our mission.*

Date: 25<sup>th</sup> June 2015

Namaste,

Hindu Youth Association supplementary school, which is run totally by volunteers and which has previously been funded through donations and council funding, have had to make some important changes. As notified at the last AGM (2014), the council have cut all funding for supplementary schools.

After much deliberation the Trustees, the Committee and the volunteers of the Charity agreed that to remain viable and be able to serve the community and meet the demands for student places, the organisation needed to increase our yearly donations from £30 to £60 per student. This allows for increased cost of classroom hire (previously out of goodwill the school had been charging a lot less than other users, however they now have to recover costs as their budgets are cut) and operating costs.

We have had sponsorship for classroom hire / student books and other operating cost specifically for Gujarati and Hinduism. The committee agreed to pass this on to the students studying these subjects therefore the costs for students attending either or both Gujarati or Hinduism classes will be able to claim a refund of £20 at the end of the academic year. This will be on the basis of having achieved over 80% attendance.

The increase will apply for places from September 2015.

Trusha Dabasia,
